## Section 3: Accreditation

This initiative between Blas and Scoil Samhraidh Willie Clancy will enable students to earn university accreditation worth 3 undergraduate credits (6 ECTS credits). Students wishing to pursue accreditation will be required to complete both the second week of *Blas* and *The Scope of Irish Traditional Music*.

Students must undertake the tuition given and attend lectures and extra curricula events in excess of 50 contact hours. The student also sits a written examination or assignment at the end of the initiative.

While the University of Limerick provides accreditation to the successful student, Blas and Scoil Samhraidh Willie Clancy cannot guarantee that this accreditation will be recognised by your home institution. The onus is on the individual to request and confirm that this accreditation is recognised by the relevant institution at which they study full time.
